WU ON LABOR IN CHINA AND AMERICA.

Says They Are the Only Countries in Which a Worker Does Not Lose Caste.

CRITICISES EXCLUSION LAW.

Believes That It Is a Blow at the American labor without offending the sen-Commerce of the United States With

Binghamton, N. Y., Sept. 1.-Wu Ting, them. It is injurious to the cause Fang, the Minister to the United States of labor every success. It is customary for from China, was the chief speaker at the triends in China to wish each other the en-Labor Day observances here to-day. He friends in China to wish each other the en-Labor Day observances here to-day. He took occasion to speak of the Chinese exclusion law, pointing out that, in his opinion, it was a blow to the commerce of this country with Chins.

Joyment of 'three' kinds of abundance,' namely, 'Good fortune, years and male children.' In other words, happiness and longevity. So now I wish the same to you country with China.

Minister Wu said, in part Thanks are due to the laboring men of Binghamton for this invitation, which came as a surprise. It is a pleasure to address ness, men who have strong opinions of their own and yet are not afraid to listen to arguments. To be open to conviction and information is the mark of a noble mind.

"It may not be generally known that Enraged at Failure to Obtain China recognizes the dignity of labor. The people are usually divided into four classes. namely, scholars, agriculturists, laborers and merchants. It will be seen that laborers are placed above merchants. In China, neither birth nor wealth counts so much as hard work. The late Viceroy, Li Hung who was in the city to-night, received word Chang, furnished an example of the selfmade man of China. He rose by his own per, Neb., in Boyd County, and the Mayor exertions from the people to the highest of Naper requests that the Governor send position in the Empire next to the Emperor. China and the United States are the only countries in which a man does not lose caste by going to work.

"Born and bred as I have been, it is natural that I should be a friend of labor. of failure to secure whisky last Saturday, It is right and proper for workmen to combine and organize for mutual benefit and but no one was injured. Mixed-bloods protection. Capital does the same thing. "This means that labor and capital have formed themselves into two opposing camps. There is no valid reason for this state of things. The laborer of to-day may be the capitalist of to-morrow. "Capital and labor should be partners,

not enemies, in the industrial world, for their interests are identical. There is, in-deed, a community of interest between cap-per with guns and ammunition, and that if Ital and labor. Arbitration is the method ital and labor. Arbitration is the method that is generally proposed for the settlement of differences between capital and this morning in a telegram telling of the labor. It is good as far as it goes. But labor. It is good as far as it goes. But threatened action of the Indians, and his a better method is to remove all causes of request for more details brought the tele-difference. In a contest between capital gram from the Mayor of Naper. and labor injury is cone to both. China has solved the question by the adoption of a profit-sharing scheme. This has worked and they would arrive at Naper some time

"The industrial development of the United | tall States has now reached a stage in which production is so much greater than what is required for home consumption that an outlet has to be found for the surplus products. It will not be long before the Western States will compete with the Eastern

States in manufactures. Where shall they go for a market if not to China? The trade of the United States with C ina has been steadily increasing for some time past. This increase would have been much more marked if there had been | There promises to be a lively contest over no legislative obstacles in the way. It is said that trade is not sentimental; that men will buy where things are cheapest. This is true only when there is no competi-

Southern Railway Train Loaded With Negroes Goes Over Embankment Near Berry, Ala.

SIX COACHES ARE DEMOLISHED.

Crowd From Greenville, Miss., on the Way to Birmingham, Ala. -- Engineer Is One of Those Injured.

Birmingham, Ala., Sept. L-A disastrous wreck occurred to-day on the Southern Reliway one mile west of Berry, Ala., and about sixty miles west of Birmingham. The report says that one white man and twenty-five negroes at least have been killed outright, while from twenty-five to fifty negroes and one white man have been serious-

The train was bringing an excursion from Greenville, Miss., to Birmingham, it was wrecked on a rough place on the road, and the engine and six coaches, the latter filled with negroes, were completely turned over Superinterdent C. H. Hayden of the Birmingham division, with physicians from here and other fednts, left this place im-

here and other feints, left this place immediately for the scene, while wrecking crews from Columbus, Miss, and Birmingham also were sent in a short time. The train was making good time coming toward the city. Engineer Crook was at the throttle with a negro fireman. Conductor Weber was in charge of the train and Trainmaster H. M. Dudley of Birmingham was aboard. At a point between Berry and Bankston the engine left the track and relied over on its side.

Engineer Crook was badly scalded, as was his negro fireman. They were taken out from under the wreck and their condition is reported serious.

ABOUT 20,000 PERSONS VISITED WORLD'S FAIR SITE.

Large crowds visited the Exposition site yesterday to view the construction of the great palaces which will make up the main picture of the international show. Several them. It is injurious to the interests of the American workingman. I wish the cause of labor every success. It is customary for friends in China to wish each other the enjoyment of 'three' kinds of abundance.' namely, 'Good fortune, years and male children. In other words, happiness and molecular to the court is nearly incased in staff, its pillars and moldings being in place. The promenade on the top of the annelway was alled with neonly through. place. The promenade on the top of the channelway was filled with people throughout the day. Many parties visited the grounds in vehicles. It was estimated by the guards about the site that 10,000 persons inspected the work in progress.

ORGANIZED LABOR DISCUSSED AT THE NIGHT MEETING.

Labor problems were discussed last night in the lecture hall of the Y. M. C. A. omas D. Cannon, R. F. Sass and P. Pepoon were the speakers Mr. Cannon

spoke on the problems from a legal point, while Mr. Pepoon and Mr. Sass spoke from the laboring man's side of the question. Discussion followed the addresses.

Mr. Cannon gave an outline of the history of trades union from the labor guilds in England in the Fourteenth Century to the organizations of the present day. The relation of the law to organized labor was also referred to.

also referred to. "The public is greatly mistaken," said Mr. Pepoon, "in thinking that the labor agi-tator orders strikes; the fact is, that before one can be ordered, it has to be by a vote of the majority of members, besides being sanctioned by the international union."

COAL STRIKERS OBSERVE DAY. five of them fired eighteen shots into town, | Procession Banners Displayed Motives REPUBLIC SPECTAL.

threaten to take town. We have no rifles Wilkesbarre, Pa., Sept. 1.-The observance of Labor Day was general throughout the entire coal region. There was a great outpouring of miners, aftesting was a great outpouring of miners, attesting their determination to win and their firm-ness in standing together. The locals were headed by paid bands, the banners were neatly painted, the men carried canes wound with bunting and many wore sun-flowers. They marched in double rows, four abreast and thousands strong, looking not as if they had been for months on strike, but as if they worked daily and were satisfied with their lot. As the leaders had anticipated, the men would send Captain Ringer of Company F. As the leaders had anticipated, the met made a remarkable impression. They marched with well-filled stomachs, with well-soled shoes, with well-clothed bodies. Their banners were their tongues and expressed their sentiments in no "Mitchell and Victory," many said, and

"Mitchell and Victory," many said, and others "Mitchell we trust, and Morgan can't bust us."

Other inscriptions were. "The Hebrews had a Pharson, the miners a Baer"; "Since when is Baer our God": "We want a conference with operators and a signed scale before we return to work"; "They can't 'bust' the union that is just"; "Blessed are they that hunger and thirst after justice, for they shall be filled"; "In your claws no longer, Mr. Baer."

Mr. Baer."

The little breaker boys bore a banner saying: "Our fathers follow Mitchell; we follow our fathers."

In the parade were strikers dressed as demons, crying, "We are looking for Morgan."

These caused much laughter.

EVANSVILLE CELEBRATES.

Elks Join in Labor Day Demonstration-Carnival Follows. REPUBLIC SPECIAL.

REPUBLIC SPECIAL

Evansville, Ind., Sept. 1.—Labor Day was celebrated here to-day on a grander scale than ever before, and over 1,000 union men were in line. One of the features of the parade was the appearance of the Elks in carriages, who, after the parade, opened their annual carnival.

The unions of South Indiana met at Garvin's Park in the afternoon. A. H. Simons of Chicago made an address. Several towns in South Indiana observed the day. Congressman Zemer and Judge T. H. Dillon made addresses at Jasper. the contest or chairman of the conven-tre contest for chairman of the conven-tre contest for chairman of the convention is being vigorously conducted. There are two candidates, John Coonan of Eureka and George S. Patton of Los Angeles County. Coonan has the backing of the machine.

E. C. Parnsworth of Tulare is the only candidate named for Chief Justice.

FLOAT EXPLODED IN PARADE. Three Perhaps Fatally Injured at Vincennes, Ind.

REPUBLIC SPECIAL. REPUBLIC SPECIAL.

Vincennes, Ind., Sept. I.—The coal miners' float in the big Labor Day parade here to-day exploded on the march. A spark fell into a keg of powder. The mine mill on the float was blown into the air and ira Fidler. John Scott and Abner List were perhaps fatally injured. The wagon was demolished. The explosion occurred on a crowded street, but no one was killed. President Van Horn of the State Miners' Association, John C. Chaney and Robert W. Mier were the repeakers. Twenty thousand persons witnessed the most magnificent parade ever given in this city.

HIGGINSON IS CRITICISED.

Marlborough Incident Stirs the Army and Navy.

REPUBLIC SPECIAL. Washington, Sept. 1-"Looks as though war was a gentle social pastime instead of what General Sherman described it," remarked a naval officer to-day regarding Rear Admiral Higginson's action in receiving the Duchess of Mariborough, Colonel Sanger as the Secretary of War and a party of friends aboard the hostiled fleet as it hovered off the Narragansett coast, prepared to strike at the shore defenses yes-

If the hostile fleets had swung a thirteeninch gun Washingtonwards and dropped a shell into the Navy Department it would have aroused little more comment than the invitation which Rear Admiral Higginson is reported to have extended her grace against the advice of the commanding officers of the ships of the Red Fleet, who straightforward expressed their disapproval of relaxing the tensity of the war game. Naturally enough, officers in Washington ing to make any public criticism

of their superior, Admiral Higginson. Acting Secretary Darling is waiting to be advised of the details. When plans were first made for the war It Is Reported That They Will Imgame Secretary Moody talked freely of the intentions of the navy, and Secretary Roct | REPUBLIC SPECIAL said some plain things about the army's share. The heads of the two departments said they wanted it thoroughly understood

far above the popgun variety. 'The conditions of war are to be simulated to as great a degree as possible," said Secretary Moody, and, over on the other side of the State, War and Navy building, Secretary Root said that was his opinion

There was much talk of secrecy. Newspaper men were to be barred from all inmation bearing on the maneuvers. When a flood of correspondents made requests of the Secretary of the Navy to be allowed places on the fleet they were told there was not room and the press representation would be restricted to a limited number of reporters for press associations.

Some one suggested that the maneuvers had been panned for the coast off Newport so that the world of fashion would have an easy view. This was promptly denied. The maneuvers district, it was emphatically stated, was located there because the army wanted those fortifications tested.

"I see the finish of any recommendation for maneuver appropriation sent to Congress next session," remarked a naval of-"About the time that item comes up in the naval appropriations bill I can see uncle Joe Cannon getting on his feet. He's the chairman of the appropria-

tions Committee, you know. I can imagine the flood of surcasm he would pour about the diletante manner of conducting the war game. Of course it rests within the discretion of Rear Admiral Higginson to receive any one on board he likes, but a suspension of the theoretical condition of war, even though yesterday was wi the period of preparation, don't seem harmonious with the spirit in which the maneuvers were planned."
